No. 3157-C.1/48, dated 10th September, 1948.

Sub: Education - Industrial - Karnataka Polytechnic, Mangalore - additional accommodation - renting of private building - Permission - Requested.

Ref: G.O. No. [illegible].1472, Development, dated 23-3-1948.

The Karnataka Polytechnic, Mangalore started in the year 1946 has been accommodated in the building of the Government Trades School, Mangalore pending the construction of the permanent building on the Kadri hill.

With the opening of third year classes and the conversion of Government Trades School into a full-time Industrial School during this session, the present accommodation is very inadequate to meet requirements of the Polytechnic. I have therefore permitted the Officer-in-Charge, Karnataka Polytechnic, Mangalore, to rent a private building in consultation with the Executive Engineer, Mangalore. The Officer-in-Charge reports that he has rented a portion of a private building on a monthly rental of Rs.35/- with effect from 15-7-1948. The Executive Engineer, Mangalore has certified that there is no suitable public building borne on the P.W.D. list for the location of Polytechnic classes, and the rent viz., Rs.35/- per mensem fixed for the private building is reasonable having regard to the local conditions and the scale of accommodation provided.

In the circumstances explained above, I request that Government may be pleased to approve my action and sanction the payment of monthly rent of Rs.35/- for the portion occupied by the Polytechnic for a period of one year from 15-7-1948.

Provision required in this regard will be included in the Revised Estimate for 1946-47 and application for a supplementary grant submitted to Government in the course if it is not possible to meet the expenditure by re-appropriation from the savings under other sub-heads of appropriation in the departmental estimates for 1946-47.
